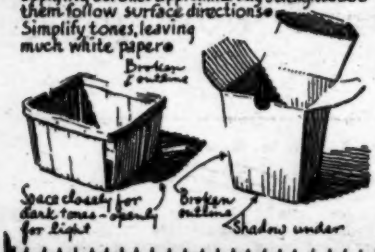
Note: FOR A LIMITED TIME FREE REPRINTS OF THIS ENTIRE SERIES WILL BE AVAILABLE ON REQUEST. SEND YOUR NAME!

LESSON 1: THE STRAIGHT LINE

MATERIALS Choose several pens from the Spencerian Art Series • Nos. 97 and 98 are splendid • Buy a bottle of black drawing ink and a few sheets of smooth paper or board •
FIRST Try straight strokes • Draw some vertically, some horizontally, some slantwise • Draw some quickly, some slowly • Mechanical perfection is undesirable • Try different spacings and pressures • Hold your pen naturally • Wipe it frequently • Increased pressure

NOW Select an easy subject and block it out in pencil • Then begin your pen work, applying strokes approximately straight • Let them follow surface direction • Simplify tones, leaving much white paper •



AWARDS! See "Scholastic Awards Booklet" for details of Spencerian Drawing Pen Awards (page 16) and Spencerian Neatness Awards (page 14)

ARTHUR L. GUPTILL, our "teacher" in this course, is a recognized authority on Pen Drawing. He recommends without reservation the pens of the Spencerian Art Series • For names of dealers write to M. GRUMBACHER, 460 W. 34th St., N.Y., sole distributor for the U.S.

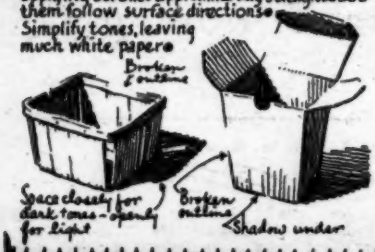
SPENCERIAN

Note: FOR A LIMITED TIME FREE REPRINTS OF THIS ENTIRE SERIES WILL BE AVAILABLE ON REQUEST. SEND YOUR NAME!

LESSON 1: THE STRAIGHT LINE

MATERIALS Choose several pens from the Spencerian Art Series • Nos. 97 and 98 are splendid • Buy a bottle of black drawing ink and a few sheets of smooth paper or board •
FIRST Try straight strokes • Draw some vertically, some horizontally, some slantwise • Draw some quickly, some slowly • Mechanical perfection is undesirable • Try different spacings and pressures • Hold your pen naturally • Wipe it frequently • Increased pressure

NOW Select an easy subject and block it out in pencil • Then begin your pen work, applying strokes approximately straight • Let them follow surface direction • Simplify tones, leaving much white paper •



AWARDS! See "Scholastic Awards Booklet" for details of Spencerian Drawing Pen Awards (page 16) and Spencerian Neatness Awards (page 14)

ARTHUR L. GUPTILL, our "teacher" in this course, is a recognized authority on Pen Drawing. He recommends without reservation the pens of the Spencerian Art Series • For names of dealers write to M. GRUMBACHER, 460 W. 34th St., N.Y., sole distributor for the U.S.
